All dimensions are approximate and all floor plans and development plans are subject to change. This floor plan represents the typical floor plan for the residence type indicated and is provided for informational purposes only. The actual floor plan of the residence may differ.

All features listed for the residences are representative only, and the Developer reserves the right, without notice to or approval by the Buyer, to make changes or substitutions of equal or better quality for any features, materials and equipment.

All dimensions are taken to the outside finished surface of the exterior walls, and to the centerline of interior demising walls, and vary from the dimensions that would be determined based upon the description of the "Unit" set forth in the Declaration of Condominium (which generally includes only the interior airspace between the unfinished interior surfaces of the walls bounding the unit).
