Stated dimensions are measured to the exterior face of the exterior walls, the centerline of interior dividing walls between units, and the outer boundary of floor decking areas adjacent to common elements, and to face dry fit dimensions that would be determined by using the description and definition of the "GSI" as used in the Contracting which generally only includes the finished dimensions between the perimeter walls and exclusive thereof structural components. All dimensions are approximate, and all floor plans and development plans are subject to change. The location, technology, graphic materials, plans, specifications, names, symbols and elements contained in this brochure are prepared and presented only for the use and not necessarily reflect the final plans and specifications for the development. Further, Developer reserves the right to modify, revise or withdraw any or all of the same in its sole discretion and without prior notice.
