Sheet dimensions are measured to the outside perimeter of the master walls. The exterior of master sleeping walls between units and the outer boundary of master parking walls adjacent to outdoor storage, A/C or other units form the exterior wall. Areas of exterior walls shown are subject to confirmation and verification of design and construction details. All dimensions shown are in feet and inches. The exterior wall boundary shown is not to scale. Dimensions are shown to the center of the unit. Dimensions are shown to the center of the unit. Dimensions are shown to the center of the unit. Dimensions are shown to the center of the unit. Dimensions are shown to the center of the unit.
