The St. Regis Residences, Sunny Isles Beach are not owned, developed or sold by Marriott International, Inc. or its affiliates ("MI"). La Playa Beach Associates, LLC uses the St. Regis marks under a license from MI, which has not confirmed the accuracy of any of the statements or representations made herein. The project is being developed by La Playa Beach Associates, LLC, which has the right to use the trademark names and logo of Fortune International Group and Chateau Group. ORAL REPRESENTATIONS CANNOT BE RELIED UPON AS CORRECTLY STATING THE REPRESENTATIONS OF THE DEVELOPER. FOR CORRECT REPRESENTATIONS, MAKE REFERENCE TO THIS BROCHURE AND TO THE DOCUMENTS REQUIRED BY SECTION 714 B31, FLORIDA STATUTES, TO BE FURNISHED BY A DEVELOPER TO A BUYER OR LESSEE. This is not intended to be an offer to sell, or solicitation to buy, condominium units to residents of any jurisdiction where prohibited by law, and your eligibility for purchase will depend upon your state of residency. Stated dimensions are measured to the exterior boundaries of the exterior walls and the centerline of interior bearing walls and in fact vary from the dimensions that would be determined by using the descriptive and definition of the "Unit" set forth in the Declaration (which generally only includes the interior airspace between the perimeter walls and excludes internal structural components). For your reference, the area of the Unit, determined in accordance with those defined unit boundaries, is set forth on Exhibit "3" to the Declaration. Note that measurements of rooms set forth on this floor plan are generally taken at the greatest points of each room (as if the room were a perfect rectangle), without regard for any cutouts. Accordingly, the area of the actual room will typically be smaller than the product obtained by multiplying the stated length times width. All dimensions are approximate and may vary with actual construction, and all floor plans and development plans are subject to change. Furniture is not included with the sale of the Units.
